Press Release

Lent Activity

The University Students Catholic Movement (MKSU) in its mission to promote Catholic values on university Campus, decided to be present among the students even during this lent. The Lent Campaign for 2009 was made up of two parts.

The first part consisted in the distribution of bookmarks with quotations from the bible. These were handed out all over university especially in those places most frequented by the students. Also a set of posters, one for every week, were affixed on the notice boards. The short message related with Lent, together with the eye-catching pictures, surely helped those who in their active lifestyles, stopped a little bit to read the posters. This Campaign was entitled ***"Sacrifice = Giving Up?"***

The second part was an activity set up by the 'Dawl bil-Lejl' movement in collaboration with MKSU. On Tuesday 17th March, an animated adoration was organised at the university chapel. During the adoration, the organisers went around university inviting students to spend some time in reflective silence at the chapel. The activity was a success with many youths actively participating in the adoration.

The next step for MKSU will be on the 20th to 23rd April 2009, where the celebrations of the 80th anniversary of the movement will reach their peak. Among the activities there is an Art Exhibition and a reunion for past executive members who along the years served in the leadership of MKSU, making it the movement it is today.
